Duties of the Ethics Commission

The Ethics Commission interprets and enforces the West Virginia Governmental Ethics Act. The purpose of the Act is to preserve the public’s confidence in the integrity and impartiality of governmental actions. The Commission also interprets the Open Governmental Meetings Act (W. Va. Code § 6-9A-1 through 6-9A-12); W. Va. Code § 61-10-15, a criminal misdemeanor statute, and W. Va. Code §18-5-1a(a) and (b) relating to eligibility to serve on a county school board.

The Commission enforces the Ethics Act's prohibitions through the Verified Complaint and Initiated Complaint processes; administers lobbyist registration and reporting provisions; publishes an annual Lobbyist Directory; renders formal Advisory Opinions on the meaning and application of the Ethics Act and the Open Governmental Meetings Act; issues formal Advisory Opinions to county school board members and candidates for those boards regarding other elected or appointed positions potentially barring their service; administers the Code of Conduct for State Administrative Law Judges; processes Financial Disclosure Statements, and advises and educates public employees and officials and members of the public regarding the Ethics Act and the Open Governmental Meetings Act. The Commission also grants exemptions from the employment and contract prohibitions in the Ethics Act.

All Complaints are considered by the three-member Probable Cause Review Board, which is an autonomous board not under the direction or control of the Ethics Commission. The Review Board reviews Complaints filed with or initiated by the Ethics Commission to make a threshold determination of whether probable cause exists to believe that a violation of the Ethics Act has occurred.

**Ethics Act Advisory Opinions**

**AO 2016-01 City**
A City requires no approval from the Ethics Commission in the absence of the City Engineer participating in the types of decisions contemplated by 7 CSR 1-12.4(g).

**AO 2016-02 Former Legislative Research Analyst**
A former Legislative Research Analyst may register as a lobbyist after the termination of his employment without being subject to the one-year post-employment waiting period.

**AO 2016-03 Municipal Board Member**
A Municipal Board Member may vote on whether to grant a variance to a real estate developer who may receive a letter of support or favorable public comment from a non-profit organization on whose board he also serves.

**AO 2016-04 City**
A city may continue to employ its mayor as city administrator. The city may not show favoritism or give special treatment in making employment or personnel decisions affecting the mayor in his capacity as city administrator. The mayor must recuse himself from the vote and deliberation on personnel matters which directly affect him.

The Ethics Commission overrules AO 2006-05 and AO 2012-04, in part.

**AO 2016-06 County Public Service District**
A contract exemption is not required when board members’ pecuniary interests are de minimis.

**AO 2016-07 State Board Member**
A State Board Member may testify as an expert witness in a civil action against a defendant that has previously appeared before the State Board when the testimony would not be based upon test results or other information gained from the Board Member’s public position. The Board Member may not improperly use his position on the Board for his personal benefit, a plaintiff’s benefit or to the detriment of a defendant who may appear before the Board as this would result in improper private gain. The
Board Member is prohibited from knowingly and improperly disclosing any confidential information acquired in the course of his official duties and from using such information to further his personal interests or the interests of another person.

AO 2016-08 County Commission
W. Va. Code § 61-10-15 prohibits a county commission from leasing office space in a county building to an appointed assistant prosecuting attorney.

AO 2016-09 State Agency Manager
State agencies may use public funds, within reason, to purchase kitchen appliances such as water coolers, including water for the coolers, coffee makers, microwave ovens, toaster ovens and refrigerators for use by state employees at work because the individual private gain to employees is counterbalanced by an overriding public benefit to state agencies.

AO 2016-10 County Clerk
A County Clerk may authorize private organizations to use her name and public job title when recognizing her for personal donations she makes to charitable events. Public officials/employees may not use public job titles if employed by a charitable organization on whose behalf they are soliciting. Public officials/employees may not solicit gifts for a charitable purpose if there is a direct pecuniary benefit to an immediate family member.

AO 2016-11 State Legislator
A State Legislator may purchase business cards with private funds that replicate his State-issued business card on one side and display his campaign information on the other provided that both sides of the business cards state that they are paid for by the Legislator.

The Opinion cautions that the Ethics Act prohibits any use of state resources, including the Legislator's state telephone and email address, in furtherance of his personal re-election campaign.

AO 2016-12 County Prosecutor
A County Prosecutor does not have a prohibited financial or pecuniary interest in his mother-in-law’s building’s sales agreement; therefore, the purchase of the building by the County Commission is permissible under W. Va. Code § 6B-2-5(d) and W. Va. Code § 61-10-15.

AO 2016-13 City Council Member
A City Council member who is also a member of a neighborhood association and in a class of five or more similarly situated homeowners may vote on whether the city approves the development of a hilltop.

AO 2016-14 Municipal Fire Department
A Municipal Fire Department may purchase coffee with public funds for its guests in its main lobby as long as purchasing coffee is an authorized expenditure under the
relevant state laws, rules and opinions. Fire Department’s expenditure of funds for coffee for its employees is de minimis. Ethics Commission did not determine whether purchasing coffee for public employees in general is permissible.

AO 2016-16 State Agency
A State Agency may produce and sell calendars because the calendars fall within the usual and customary duties of the State Agency to provide information and education to the public. The State Agency may donate a de minimis amount of proceeds from the calendars to a memorial fund that aids in providing plaques and maintenance to the West Virginia Fallen Firefighter Memorial. The agency may solicit donations on behalf of the memorial fund because providing plaques and maintenance to the West Virginia Fallen Firefighter Memorial constitutes a charitable purpose. The agency may not solicit donations to underwrite its duty to provide public education and information. This Opinion is based upon the specific facts of this request and may not be relied upon in other situations.

AO 2016-18 Prosecutor-elect
The Prosecutor-elect, upon becoming Prosecutor, may not consider hiring the outgoing former Prosecutor to serve as a special prosecutor in a position funded by a grant the former Prosecutor assisted the county and a local nonprofit organization in obtaining.

Open Meetings Act Advisory Opinions
The Commission’s Committee on Open Governmental Meetings issues written Advisory Opinions to governing bodies, or to its members, on whether an action or a proposed action violates the Open Meetings Act. The Commission issued three Open Meetings Act Advisory Opinions in 2016.

OMAO 2016-01 City Manager for the City of Morgantown
• Half-day holidays may be included for purposes of calculating business days under the Open Meetings Act.
• The posting deadline for a half-day holiday is the close of business on that day.
• In calculating time for purposes of complying with the Open Meetings Act notice requirements, governing bodies must calculate time periods in days, not by 24-hour periods. In counting days, the day of the meeting as well as Saturdays, Sundays and legal holidays are excluded. The posting deadline is by close of business.

OMAO 2016-02 Pocahontas County Commission
Proposed policy and procedures should be revised to exclude the day of the meeting from the regular and special meeting notice period calculation. Proposed policy and procedures should also be revised to state that a governing body shall post an emergency meeting as soon as practicable prior to the meeting and that an emergency meeting agenda shall include the facts and circumstances of the emergency. Once these revisions have been made, the proposed policy and procedures satisfy the minimal requirements of the Open Meetings Act.
OMAO 2019-03 Pocahontas County Commission
The Pocahontas County Commission’s revised policy for the issuance of meeting agendas for all regular, special and emergency meetings is consistent with the provisions of the Open Governmental Proceedings Act.

School Board Advisory Opinions
The Ethics Commission is authorized to issue written Advisory Opinions to county Board of Education members, members-elect and candidates for election to the board as to whether they may hold certain other positions and also serve on a county board under W. Va. Code § 18-5-1a. The Commission issued no School Board Advisory Opinions in 2016.

Contract Exemptions
The Ethics Act prohibits elected public officials and full-time public employees from having a financial interest in certain contracts, purchases or sales over which their public position gives them control. The Commission has authority to grant a governmental entity an exemption from the Act's contract provisions.

The Commission granted Contract Exemptions during 2016 in the following matters:

CE 2016-01 City of Cameron
Granted an exemption to allow the City of Cameron to make incidental purchases from Cameron Hardware, which is owned by its Mayor, in an amount not to exceed $2,500 in a calendar year.

CE 2016-02 Wyoming County Health Department
Granted an exemption authorizing the Department to continue contracting with Family Healthcare Associates, Inc. for a contract period not to exceed two years. The Board of Health’s Chairperson and its Health Officer may not be involved in decisions affecting the contract.

CE 2016-03 City of Belington
Not required to seek an exemption where neither the City nor the Mayor exercises authority and control over tow requests made pursuant to the County Emergency Communications Standard Operating Procedures Manual. The City is also not required to seek an exemption when it does not spend more than $1,000 annually at the Mayor’s wrecker service.
CE 2016-04 Town of Rowlesburg
Granted an exemption allowing its Mayor to make an unsecured, interest-free loan to the Town to pay an outstanding bill for required updates to the Town’s sewer and storm water system.

CE 2016-05 Sheriff of Hardy County
Granted an exemption authorizing Sheriff to purchase two emergency lighting equipment units from a Deputy for cruisers. Deputy’s business may not be paid to service the units. CE was necessary as the Deputy exercised influence and control over decisions regarding the purchase of lighting units. There is insufficient information to consider Sheriff’s request for an exemption to make purchases from other businesses owned by Deputy.

Property Exemptions
A full-time public official or full-time public employee who would be adversely affected by the Ethics Act’s prohibitions against purchasing, selling or leasing real or personal property to certain persons or entities may apply to the Ethics Commission for an exemption from the prohibition. The Commission issued no Property Exemptions in 2016.

Employment Exemptions granted
The Ethics Act prohibits full-time public servants from seeking or accepting employment from persons or businesses that they or their subordinates regulate, or from seeking or accepting employment from vendors if the public servant, or his or her subordinates, exercise authority or control over a public contract with that vendor.

Public servants may request an exemption from the Ethics Commission to seek employment with vendors or regulated persons with whom they or a subordinate exercise control at present or in the prior 12 months.

Enforcement

The Ethics Commission enforces the West Virginia Ethics Act through an administrative Complaint process. Anyone may file a Complaint, and the Commission itself may initiate Complaints against a person subject to the Ethics Act.

All Complaints are considered by the three-member Probable Cause Review Board, which initially determines whether the allegations in the Complaint, if taken as true, state a material violation of the Ethics Act. Complaints which do state a material violation of the Act are investigated, and those that do not are dismissed.

Complaints which allege trivial or inconsequential violations or were filed outside of the statute of limitations are dismissed.

Public hearings are held in matters in which probable cause to believe that a violation of the Act has occurred. However, persons against whom Complaints are filed may enter into a settlement of the allegations through a Conciliation Agreement with the Commission.

Persons found to have violated the Ethics Act may be publicly reprimanded, fined up to $5,000 per violation, ordered to pay restitution and/or ordered to reimburse the Commission for its costs of investigation and prosecution. The Commission also may recommend that the person be removed from office or that his or her employment be terminated.
