**TAMMY PORTER
Former Member,
West Union Town Council**

CONCILIATION AGREEMENT

The West Virginia Ethics Commission and Tammy Porter freely and voluntarily enter into the following Conciliation Agreement pursuant to W. Va. Code § 6B-2-4(t) to resolve all potential charges arising from allegations in the above-referenced Verified Complaint.

Findings of Fact

1. Respondent, Tammy Porter, ("Respondent") served as an elected council member of the Town of West Union at all times relevant herein.
2. As an elected Town council member, the Respondent was a "public official" as defined in the Ethics Act, at W. Va. Code § 6B-1-3(k).
3. The Ethics Commission has jurisdiction over alleged violations of the Ethics Act committed by West Virginia public officials, such as the Respondent. W. Va. Code §§ 6B-1-1 through 6B-3-11.
4. The Town of West Union owns and operates a municipal water department that services individuals and businesses in the Town.

5. During a regular meeting on December 12, 2016, the West Union Town Council voted to write off as uncollectable past due accounts in the amount of \$7,705.60. As a result of this vote, the Town ceased all attempts to collect money from these delinquent account holders.

6. The Respondent's former business, The Beehive, was on the list of delinquent accounts to be written off during the December 12, 2016, meeting. The Town's records indicated that the Beehive's account was delinquent in the amount of \$461.49.

7. The Respondent has consistently disputed the amount owed by The Beehive since 2015 and has maintained that The Beehive was erroneously charged for water and sewer for months after the business closed in April 2015.

8. The West Union Town Council, including the Respondent, unanimously voted to write off all uncollectable accounts totaling \$7,705.60 in one motion that included the account of The Beehive.

9. During the discussion, no council member or member of the public disputed Respondent's assertion that The Beehive did not use water after it closed in 2015.

10. W. Va. Code § 6B-2-5(j) prohibits a public official from voting on a matter in which a business with which they are associated has a financial interest.

Relevant Legal Provision

W. Va. Code § 6B-2-5(j) states, in relevant part:

(1) Public officials, excluding members of the Legislature who are governed by subsection (i) of this section, may not vote on a matter:

TP 

(A) In which they, an immediate family member, or a business with which they or an immediate family member is associated have a financial interest. Business with which they are associated means a business of which the person or an immediate family member is a director, officer, owner, employee, compensated agent, or holder of stock which constitutes five percent or more of the total outstanding stocks of any class.

I understand and agree that if the Ethics Commission fails to approve this Conciliation Agreement, then this Conciliation Agreement is null and void and the Complaint against me will proceed to the Probable Cause Review Board, where it will be

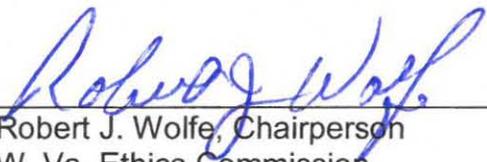

TP 

processed in accordance with the West Virginia Code and the Ethics Commission's Legislative Rules.

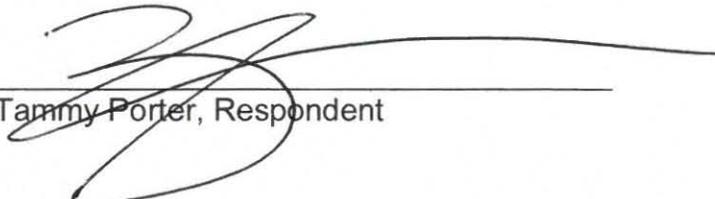

If the Ethics Commission approves the Agreement, it will enter an Order in which it approves the Agreement and sets forth the sanctions listed above.
