01-4 Conduct of Meetings

- 4.1 Presentations — Persons desiring to place an item on the Board of Education's agenda must make a written request to the County Superintendent not less than ten (10) days prior to the date of the meeting. Persons desiring to address the Board of Education are encouraged to make arrangements in advance with the Superintendent's office. However, advance arrangements are not necessary as such persons may sign in prior to the scheduled commencement of any regular or special meeting. Persons having signed in and wishing to address the Board on non-agenda items will be allowed to do so under the Public Comments section once the Board President recognizes him/her. Speakers must provide his/her name, and the subject to be addressed. No official action may be taken on a Public Comments subject matter until it can be presented as on agenda item at the next subsequent meeting. Presentations shall be limited to ten (10) minutes, unless otherwise designated by the Board President. Delegations are encouraged to use a spokesperson to present their concerns or proposals.
- 4.2 Attendance — In the event that there is not adequate room to conduct a scheduled meeting due to the number of members of the public who wish to attend, a scheduled meeting may be moved to accommodate all those wishing to attend upon proper motion by any member of the Board of Education. Upon proper motion by a member of the Board of Education any scheduled meeting may be recessed and reconvened at a later date and time in the event that facilities are not readily available to accommodate the members of the public wishing to attend the meeting.
- 4.3 Conduct — The Board President can remove any member of the public attending a scheduled meeting of the Board of Education who is disruptive, to the extent that orderly conduct of the meeting is compromised, from the meeting with the assistance of a member of the Police Department upon proper direction.

An executive session shall only be held upon a majority affirmative vote of the members of the Board of Education present and no decision shall be made in executive session.
- 4.5 Media Broadcasts — The Board of Education shall allow the placement and use of equipment necessary for broadcasting, photographing, filming, or recording a scheduled meeting. The equipment shall be placed or used within the meeting room so as to prevent undue interference with the meeting. In the event that the Board President determines that the size of the meeting room is not sufficient to accommodate all the members of the public present and the equipment and personnel necessary for broadcasting, photographing, filming and tape recording in the meeting room without unduly interfering with the meeting, the Board President may require the pooling of the equipment and personnel operating the equipment.
